

Rare city fully grown arboretum on Wheeler St. to be cut by developers. Courtyard abuts Atmark building.

Next Door Life Trees Threatened

Removal threatens future safety of our homes

Call and Gather to Prevent Devastation and Danger to the Neighborhood

Tree canopy Arboretum with over 60 trees planned for clearcutting!

Redgate and Westbrook Partners owners of 55 Wheeler Street

Concealed this rare tree canopy to obtain the

Planning Board Special Permit to build 526 units in Dec. 2017

<http://cambridge.wickedlocal.com/news/20171220/new-526-unit-apartment-building-okd-for-alewife>

50 extraordinary native tree species must be protected for our hotter summers and floodprone area.

Reason for cutting them is to excavate a garage underneath the ground which already exists from former Abt Associates Macomber construction

CALL: City Manager: 617 349-4000. Call Councilors Zondervan and Deveraux

I am a neighbor that goes to city meetings and am asking for your help:

Gather tree lovers and Neighbors!. End of Wheeler on Concord Ave.

Bring signs and flash lights
